

CommCare Handouts For CHWs

This page contains examples of Handouts that have been designed for Frontline Health Workers or Community Health Workers.

ReMiND (Reducing Maternal Infant and Newborn Deaths) Project in Kaushambi, Uttar Pradesh

We thank staff at Catholic Relief Services and Vatsalya for generously supporting the development of the following CommCare training materials in English and Hindi.

These handouts contain information about the mobile phone, taking care of the phone, navigation in CommCare, summary of the application content and Hindi typing guide.

To make adaptations of these handouts, please contact mbhavsar@dimagi.com.
